

MEET ATTENDANCE FORM (Summer 2008)

Each swimmer needs to complete a meet entry form. We know that summer is a time for family and fun, but it would be extremely helpful to the coaches to know which meets you will attend. If you have more than one child swimming, please fill a set of boxes out for each child.

Enter **YES** or **NO** in the appropriate boxes.

Please return this form at the Registration Evening on April 9th.

Please let the coaches know at least one week in advance if your plans change. It takes a lot of time to plan meet events and relays. We do not want to have disappointed swimmers. Thank you!
